

"Stinger"®

Card Back Design

Designed with Surveillance in Mind

Feature

Fading effect to a White Border

Benefits

Helps eliminate and detect edge-work markings
Helps control sorter and one-way decks
Reduces potential of factory marked cards

Feature

"Stinger" in all Four Corners

Benefits

Helps surveillance identify:

1. Card flashing
2. Sleight of hand moves, such as:
 - Dealing seconds
 - False shuffles and cuts
